WHAT TO BRING TO YOUR APPOINTMENT

- **Insurance Card**

Please bring your insurance card or a copy of your insurance information

- **Patient Forms**

Please print our [patient forms packet](#) and complete the forms *before* your appointment.

- **All Medications**

Please bring all medications you currently are taking or have taken recently, whether over-the-counter or prescription. Include the strength and dosage of each medication.

- **A List of Personal Health Questions or Concerns**

Sometimes we forget all the things we wanted to tell or ask the doctor, so make a list of your symptoms, questions or concerns before you come to your appointment. And don't forget to bring it with you!

Insurance

Our office is "in network" with most insurance plans; however, we do not accept Medicaid or Tricare Prime . The managed care health insurance market changes rapidly, and specific coverage questions should be discussed directly with your insurance company or our knowledgeable staff.
